Barre + Beyond Munchkin Care Policies

Kids 3 months to 12 years are welcome.

1. You must reserve in advance, as space is limited. Please cancel at least 2 hours before class, or you will be charged. Limit 3 children per parent/family, per class.
2. Reservation may be registered under the child's name or the parent's name.
3. Multiple children can use the same 5 or 12 session package as family. (for example, if I brought 2 children to a Munchkin Care Session, then my 5 class package will have 3 sessions left...)
4. Fill out the online waiver form before arriving at the studio.
5. Bring any items that your child may require during the session such as diapers, wipes, bottles, sippy cups, special toys, etc. (labeled please!)
6. Please bring your child(ren) with full tummies and dry diapers.
7. No food or snacks, please! (think of allergies and icky spills).
8. To keep everyone healthy and safe, we ask that you do not bring your child if they are sick or have been exposed to any contagious illnesses. Thank you!
9. You may drop your child off 10 minutes before class, but no earlier.
10. Please get your children within 5 minutes of class ending.
11. If your child displays repeated behavioral concerns (biting, kicking, hair pulling, etc), you will be asked to leave your child at home. We know that situations arise and we will always let parents know if there are any concerns/incidents.
12. We want your Barre + Beyond Studio experience to be worry free and will do our best to keep your children happy. However, if your child is inconsolable, we will come and get you.
13. No diapers will be changed. If necessary we will come and ask for you. We will have a changing station for you in the restroom.
